The leadership Team will be implementing a group system for the men to help set up tables, chairs and cleanup for church events. The group leaders are in place already and will be contacting each person on their team to let them know what group they are in. If you are not contacted and would like to be on one of these groups please see Dave Miller. Once this is implemented the group leaders will be contacted via Debbie or Dave Miller regarding setup needs for the event. The Group Leaders will then contact persons from your group to coordinate a time to meet to do the setup.
